

## GRADE 3 - OPTION 1 STANDARD COMPLETE PACKAGE

The complete standard package contains **robotic equipment**, with power supplies and cabling sufficient for the number of students indicated, **curriculum** with teacher materials and sufficient student consumables, and Grade 3&4 **accessories package** with the student manipulatives needed to accomplish all activities.

Please note: the equipment contained in the Standard Packages for Grades 3 and 4 are identical. The curricula for Grades 3 and 4 are different. One may purchase curriculum separately. If the two grades will NOT be attempting to use the same equipment simultaneously, purchase of only one complete package plus an additional curriculum, will cover two grades adequately.

### GRADE 3 - OPTION 1: PRICING

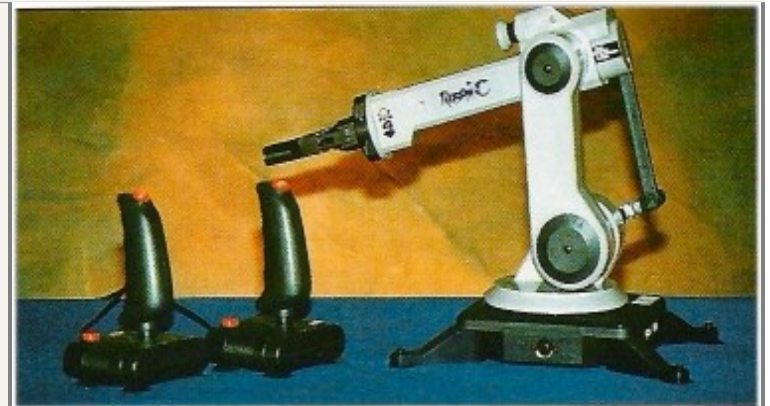

6 Students	12 Students	18 Students	24 Students
\$3,380	\$5,765	\$8,150	\$10,535

\*Pricing can be calculated for any other number of students, by starting with the price for the number closest to your needs and then adding or subtracting \$795 per 2 students.

## GRADE 4 - OPTION 1 STANDARD COMPLETE PACKAGE

The complete standard package contains **robotic equipment**, with power supplies and cabling sufficient for the number of students indicated, **curriculum** with teacher materials and sufficient student consumables, and Grade 3&4 standard **accessories package** with the student manipulatives needed to accomplish all activities.

Please note: the equipment contained in the Standard Packages for Grades 3 and 4 are identical. The curricula for Grades 3 and 4 are different. One may purchase curriculum separately. If the two grades will NOT be attempting to use the same equipment simultaneously, purchase of only one complete package plus an additional curriculum, will cover two grades adequately.

### GRADE 4 - OPTION 1: PRICING

6 Students	12 Students	18 Students	24 Students
\$3,380	\$5,765	\$8,150	\$10,535

\*Pricing can be calculated for any other number of students, by starting with the price for the number closest to your needs and then adding or subtracting \$795 per 2 students.

### Curricula purchased separately:

Grade 3 Standard	\$ 995	Grade 4 Standard	\$ 995	Grade 4 Deluxe	\$ 995
------------------	--------	------------------	--------	----------------	--------

**Training:** Training on CD is included with all complete packages and all curricula purchased separately.

On-site Training is available. A consultant will travel to your learning center to conduct your staff development for as many teachers as you choose. Staff development for teachers of both Grades 3 and 4 can be accomplished in one training day consisting of two 3.5 hour sessions.

**Grade 3 and 4 on-site training:** \$ 1,500/day\* \*includes all travel and associated expenses.

## GRADE 4 - OPTION 1 STANDARD COMPLETE PACKAGE

The complete standard package contains **robotic equipment**, with power supplies and cabling sufficient for the number of students indicated, **curriculum** with teacher materials and sufficient student consumables, and Grade 3&4 standard **accessories package** with the student manipulatives needed to accomplish all activities.

Please note: the equipment contained in the Standard Packages for Grades 3 and 4 are identical. The curricula for Grades 3 and 4 are different. One may purchase curriculum separately. If the two grades will NOT be attempting to use the same equipment simultaneously, purchase of only one complete package plus an additional curriculum, will cover two grades adequately.

### GRADE 4 - OPTION 1: PRICING

6 Students	12 Students	18 Students	24 Students
\$3,380	\$5,765	\$8,150	\$10,535

\*Pricing can be calculated for any other number of students, by starting with the price for the number closest to your needs and then adding or subtracting \$795 per 2 students.

## GRADE 4 - OPTION 2 DELUXE COMPLETE PACKAGE

The complete deluxe package contains **robotic equipment**, with power supplies and cabling sufficient for the number of students indicated, **curriculum** with teacher materials and sufficient student consumables, and Grade 4 deluxe **accessories package** with student manipulatives needed to accomplish all activities.

Please note: 1) the Grade 4 deluxe package contains additional equipment and the curriculum and accessories are not identical to that accompanying the Grade 4 standard package.

2) A Grade 4 standard package may be upgraded to the deluxe package by the addition of \$3375 for up to 12 students and \$5750 for 13-24 students.

### GRADE 4 - OPTION 2: PRICING

6 Students	12 Students	18 Students	24 Students
\$6,755	\$9,140	\$13,900	\$16,285

\*Pricing can be calculated for any other number of students, by starting with the price for the number closest to your needs and then adding or subtracting \$795 per 2 students.

### Curricula purchased separately:

Grade 3 Standard    \$ 995                      Grade 4 Standard    \$ 995                      Grade 4 Deluxe        \$ 995

**Training:** Training on CD is included with all complete packages and all curricula purchased separately.

On-site Training is available. A consultant will travel to your learning center to conduct your staff development for as many teachers as you choose. Staff development for teachers of both Grades 3 and 4 can be accomplished in one training day consisting of two 3.5 hour sessions.

**Grade 3 and 4 on-site training:**                      \$ 1,500/day\*    \*includes all travel and associated expenses.

## GRADE 5-8 BASE PACKAGE (ROBOARMS)

The Grade 5-8 Base Package contains **robotic equipment**, with power supplies and cabling sufficient for the number of students indicated. To configure a complete package for each grade 5 through 8, select the **base package** for the desired number of students plus a **completer package** for the desired number of students and the appropriate **curriculum package**.

Please note: Grades 5 through 8 use the identical equipment (RoboArms) as the base package. If these grades will NOT be attempting to use the same RoboArms simultaneously, purchase of one (1) base package for the appropriate number of students will cover all grades. Completer sets and curricula are available for purchase separately. Each grade specific curriculum requires the completer set for that grade. Please see the two options available for Grade 5.

### GRADES 5-8 - BASE PACKAGE: PRICING

6 Students	12 Students	18 Students	24 Students
\$5,940	\$11,880	\$17,820	\$23,760

\*Pricing can be calculated for any other number of students, by adding or subtracting \$1980 per 2 students.

## GRADE 5 - STANDARD OPTION COMPLETER SET

No completer set is required for Grade 5 standard option.

## GRADE 5 - DELUXE OPTION COMPLETER SET

Please note: 1) the same additional equipment (Tempest with RoboACs) which upgrades a Grade 4 package from Standard to Deluxe is the same equipment which upgrades a Grade 5 package from Standard to Deluxe. (The other equipment used is not the same for grades 4 and 5.) One may purchase any curriculum separately. If 4th and 5th grade classes will NOT be attempting to use the same Tempests simultaneously, purchase of a complete deluxe package for 4th grade for the correct number of students, plus purchase of a base package and deluxe curriculum only for 5th grade, will cover both grades adequately with complete deluxe packages.

2) besides additional equipment, the curriculum and accessories of the Grade 5 deluxe option are not identical to that accompanying the Grade 5 standard option. Please be sure to select the Deluxe Grade 5 curriculum if you intend to share Tempest(s) between grades 4 and 5.

**COMPLETER SETS** are specific for each grade. They contain the additional robotic and/or fluid power equipment specified for each grade. 5th grade has 2 options

**CURRICULUM PACKAGES** are specific for each grade, and the standard and deluxe 5th grade options are also different. The curricula include teacher materials, sufficient student consumables, and the **accessories collection** containing the student manipulatives needed to accomplish all activities in that curriculum.

### GRADE 5 - DELUXE COMPLETER SET: PRICING

6 Students	12 Students	18 Students	24 Students
\$3,375	\$3,375	\$5,750	\$5,750

\*a Grade 5 standard package may be upgraded anytime to the deluxe package for an additional \$3375 for up to 12 students and \$5750 for 13-24 students. If you decide later to upgrade your existing standard package to deluxe, **your curriculum and accessories will be upgraded as well.**

## Curriculum Packages:

Grade 5 Standard     \$ 995                      Grade 5 Deluxe             \$ 995

**Training:** Training on CD is included with all base packages and all curricula purchased separately.

On-site Training is available. A consultant will travel to your learning center to conduct your staff development for as many teachers as you choose. Goldenrod recommends that a customized staff development plan be devised for each school individually. We are happy to work with you to create a coherent and cost effective staff-training component for your YouthTouch for After School program.

**On-site training:**                      \$ 1,500/day\*     \*includes all travel and associated expenses.

One day of on-site staff development is included in the cost of the curriculum package for grades 7 and 8 only. **See following sections.**

## GRADE 5-8 BASE PACKAGE (ROBOARMS)

The Grade 5-8 Base Package contains **robotic equipment**, with power supplies and cabling sufficient for the number of students indicated. To configure a complete package for each grade 5 through 8, select the **base package** for the desired number of students plus a **completer package** for the desired number of students and the appropriate **curriculum package**.

Please note: Grades 5 through 8 use the identical equipment (RoboArms) as the base package. If these grades will NOT be attempting to use the same RoboArms simultaneously, purchase of one (1) base package for the appropriate number of students will cover all grades. Completer sets and curricula are available for purchase separately. Each grade specific curriculum requires the completer set for that grade. Please see the two options available for Grade 5.

**COMPLETER SETS** are specific for each grade. They contain the additional robotic and/or fluid power equipment specified for each grade. 5<sup>th</sup> grade has 2 options

**CURRICULUM PACKAGES** are specific for each grade, and the standard and deluxe 5<sup>th</sup> grade options are also different. The curricula include teacher materials, sufficient student consumables, and the **accessories collection** containing the student manipulatives needed to accomplish all activities in that curriculum.

### GRADES 5-8 - BASE PACKAGE: PRICING

6 Students	12 Students	18 Students	24 Students
\$5,940	\$11,880	\$17,820	\$23,760
